School personnel are also mandated to report women who are pregnant and who are known or believed to be using a controlled substance. The law provides legal immunity for all reports of suspected abuse made in good faith. Failure to report is a misdemeanor. Benefits

Benefits Introduction

The Wayzata School District provides health, dental, life and disability insurance coverage to eligible employees. Eligibility for and the District's contribution towards all benefit plans are determined by your bargaining unit's eligibility specifications and negotiated employer contributions. A summary of your bargaining unit's benefit plans and cost of participation is provided by the Benefits Office. All benefits will be paid according to the terms of the insurance contract in force at the time of claim.

Wayzata Schools' insurance plans follow the same plan year, July 1 through June 30. Payroll deductions for benefit plans are calculated on the period of coverage within the plan year. Coverage continues throughout the summer months for employees returning the following school year. If a covered employee does not return for the new school year, coverage is terminated at the end of the previous plan year, June 30.

Your payroll deductions for health and dental are made on a pre-tax basis. Therefore, the elected coverage must remain in effect for the entire plan year. A change in the election is only possible within thirty days of a life event that is consistent with the requested change.

You may elect individual coverage or add eligible family members to your health and/or dental insurance plan. The cost of coverage in excess of the employer's contribution is paid by payroll deduction.

If you are interested in obtaining specific insurance information or if you would like to know if you are eligible to enroll in an insurance plan, please contact the Benefits Office at 763-745-5012.

Health Insurance

Wayzata School District offers its eligible employees health insurance with PreferredOne. Coverage is available upon the first day of employment but shall be effective only upon enrollment. The opportunity for enrollment is within the first thirty days of initial employment or within thirty days of a change in employment status or life event.

Dental Insurance

Dental insurance is offered through Delta Dental of Minnesota. Coverage is available upon the first day of employment but shall be effective only upon enrollment. The opportunity for enrollment is within the first thirty days of initial employment or within thirty days of a change in employment status or life event.

Flexible Benefit Plan

This plan permits you to set aside money from your before-tax income which you can later use to pay for certain eligible health care and dependent care expenses. As a result your taxable income is reduced thereby saving you tax dollars and increasing your take home pay.

Eligible expenses include:

- Medical expenses (not paid by insurance)
- Dental expenses (not paid by insurance)
- Allowed over-the-counter items
- Day care expenses

In order to utilize the plan, you must estimate the amount of qualified expenses that you, your spouse and eligible dependents will incur during the plan year. You then reduce your pay by that amount, creating a pool of tax-free dollars for you to draw on as qualified expenses occur.

In order to receive your tax-free reimbursement, a claim form and documentation of your eligible expenses must be submitted to Corporate Health Systems, P.O. Box 46390 Eden Prairie, MN 55344-6390. Reimbursement checks are issued semi-monthly.

Open enrollment for the plan is held each May for the plan year beginning July 1.

Long-Term Disability Insurance

The Wayzata School District offers Long-Term Disability insurance to eligible employees. Under the plan, you would receive 2/3 of your regular salary after a 60 calendar day elimination period if you become totally disabled.

The Long-Term Disability Plan is administered by CIGNA.

Life Insurance

All eligible employees receive basic term life insurance coverage in the amount of one times their annual salary. Basic coverage also includes an Accidental Death and Dismemberment benefit (AD&D), which is an amount equal to the Basic Life Benefit.

Supplemental Life Insurance is available at your own cost. Newly hired employees are eligible for a guaranteed issue amount of Supplemental Life Insurance. Enrollment after the initial eligibility period requires completion of the Evidence of Insurability form and approval from the carrier. Rates are age-based. Coverage is also available for a spouse and child(ren). This will be payroll deducted semi-monthly.

Basic Life, A.D. & D. and Supplemental Coverage is administered by CIGNA.

Family and Medical Leave Act of 1993

The Family and Medical Leave Act (FMLA) of 1993 requires the District to provide up to 12 work weeks of unpaid, job-protected leave to "eligible" employees for certain family or medical reasons. Employees are eligible if they have worked for the District for at least one year and have worked a minimum of 1,250 hours during the twelve months prior to the leave. For more information employees may reference Board Policy and Regulation #416 or contact the Benefits Office at 763-745-5012 for more information.

Employee Assistance Program

The Employee Assistance Program is a benefit provided by the District for all employees and their immediate family members. Your Employee Assistance Program is a confidential counseling and referral service to help resolve personal problems which may be affecting your life at work or at home.

Skilled counselors are available 24 hours a day and can help you with:

- Managing stress and change
- Work related issues
- Relationship/family concerns
- Chemical dependency
- Financial and legal issues

If you need assistance with a problem, contact the Midwest EAP Solutions confidential service at 1-800-383-1908. Some problems can be resolved over the phone while other problems may need to be handled with a counselor at one of the program's convenient locations. If you are referred for long-term counseling or treatment, you are responsible for the cost of the services, but your insurance benefits may cover some of these costs.

If you want more information regarding EAP services, call the Benefits Office at 763-745-5012.

Continuation of Benefits: COBRA Rights

COBRA is part of the federal legislation passed in 1986 known as the Consolidated Omnibus Budget Reconciliation Act. This legislation provides employees and their dependents with the right to continue group insurance benefits under the employer's group contract in instances when coverage would otherwise end. This coverage is at the individuals' own expense and lasts for a specified period of time depending upon the reason the coverage was lost. It is the employee's responsibility to inform the District of any changes so the COBRA continuation of coverage option may be offered. Please contact the Benefits Office at 763-745-5012 for details regarding COBRA insurance continuation.

Payroll

Employees are paid on the 15th and last day of each month. If the 15th or last day of the month occurs on a Saturday, Sunday or a bank holiday, the pay day will be the preceding work day. Employees wishing to change their withholding allowances or marital status should obtain a W-4 form from the Payroll Office or on the Staff Intranet.

Minnesota Statute 518.611, Subdivision 8, requires employees to notify the School District of any child support obligations to be withheld from paychecks.

Name or Address Change

If you change your name, address or phone number, you must report it to the District payroll department. Forms are available in your school office or e-mail the information to the Payroll Technician. NOTE: In order for us to make a name change, you are required to bring your new social security card to the payroll office. To apply for a new social security card, call 1-800-772-1213. It is important that accurate, up-to-date information is kept, so report changes promptly.

TRA/PERA

When you begin your employment with the Wayzata School District, you also begin contributing to your future retirement as a member of either the Teachers Retirement Association (TRA) or the Public Employees Retirement Association (PERA). Each pay period your contribution to TRA or PERA is deducted from your

paycheck. The District, as your employer, also contributes to TRA or PERA on your behalf.

If you are interested in obtaining more information on the retirement association, you can contact the following:

Teachers Retirement Association

Public Employees Retirement Association

Tax Shelter Annuity Program

A tax shelter annuity program allows you to have a portion of your earnings pass directly to a tax-sheltered retirement program. In the program, your money accumulates with no state or federal income tax. This tax shelter continues until you decide to begin a payout on the money in your account.

Each contribution you make to a tax-shelter is excluded from your current income, which means you are investing before-tax dollars. Your tax savings depends on the amount you contribute and your tax bracket.

Employees of the Wayzata School District are eligible to participate only in tax-sheltered programs already existing within the District. You may enroll in a plan at any time.

A current listing of District plans, vendors and election forms are available on the Staff Intranet. If you have questions, please contact the Payroll Manager, at 763-745-5074.

Direct Deposit

Direct Deposit is required for all employees and allows you to have your paycheck directly deposited into an account of your choosing on payday. Additional information is available on the Staff Intranet – See Payroll-Frequently Asked Questions.

On payday you will receive a nonnegotiable Direct Deposit slip that will look similar to a paycheck and will provide the same information your paycheck stub provided.

If you have questions, please contact the Payroll Manager at 763-745-5074.

Contract Agreements

Most of our job classifications have been assigned to particular bargaining units and District employees have voted to have unions represent them in the negotiation process.

Our labor unions and management periodically negotiate collective bargaining agreements which govern salary, benefits, work hours and terms and conditions of

employment. It is important that you review and understand your contract agreement.

If you are a non-union employee, your terms and conditions of employment will be governed by federal and state law and District policies and procedures. You will be provided an appropriate handbook reflecting these practices.
